Owing to the small attendance, and each of the 22 present refusing to be led to the councilmanic altar, no nominations were made. The citizens possibly stayed away to spite themselves, and the members of the Executive Committee to spite the citizens. Here endeth the citizens' movement. Interment will take place June 10.

DEAR SIR:

I beg leave to acknowledge receipt of check for \$187.50 in settlement of funeral benefit of my son, W. S. Herbert.

Wishing the order much success and prosperity, and thanking you for the prompt settlement of claim, I beg leave to remain,

A WOMAN'S BACK.

THE ACES AND PAINS WILL DISAPPEAR IF THE ADVICE OF THIS DELAND CITIZEN IS FOLLOWED.

A woman's back has many aches and pains.

Most times 'tis the kidney's fault. Backache is really kidney ache. That's why Doan's Kidney Pills cure it.

Many Deland women know this.

Read what one has to say about it.

Miss Rose Kremer, 67 Ohio Avenue, Deland, Fla., says: "I have used Doan's Kidney Pills and they proved of more benefit to me than any other kidney remedy I had previously used. I suffered from dull, nagging backaches and had distressing pains through my loins. My feet and limbs became badly blotched and I also had an annoyance from the kidney secretions. I finally decided to try Doan's Kidney Pills as they had been very highly recommended and procured a supply. I used only two boxes but am now free from backaches and soreness across my loins and my kidneys have become normal. I feel like a different woman since using Doan's Kidney Pills and am pleased to recommend them to other sufferers."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

The prohibition wave is not confined to the South, neither is it confined to the United States. The war against the saloon is being fiercely waged in several countries in Europe. Benighted Russia has ordered that the national emblem be taken from the vodka bottles and in its place a skull and cross bones with the word poison must be printed.—*Key West Citizen*. Yes, we have known that to be done in Maine with the word "bedbug" preceding "poison." A good bluth, and quite worthy of Russia.—*Pensacola Journal*.
